As you may already know, new legislation called GDPR (General Data Protection Regulation) is coming into effect very soon which changes the way we store, process and use personal data. We need to show that you have given permission for us to use your data according to your wishes. This is also a great way to ensure that we have all your details up to date and correct.

You can give your consent by completing the form below and putting it in the basket at the back of church during a service or put in the cottage letter box. Please do not leave it in church during the week.

This form will supersede the forms that were completed previously for the Parish News, Messy Church and Women's Fellowship.

We shall take it that your permission is given until you withdraw that permission. Please note that if you change your name for any reason, a new Data Protection form needs to be completed. We will treat your personal data within the best practice guidelines of data protection.

Thank you so much for helping us fulfil our legal obligations. If you have any questions please contact the churchwardens who would be happy to chat about any concerns or issues.

With best wishes,
