Exploring the Bible

The Book of Daniel

The Book of Daniel is a fascinating Book. The first half is centred on Daniel and his three friends Shadrach, Mesach and Abednego. It testifies to God's faithfulness to his people even in the jaws of the lion or before the fiery furnace. It teaches that God alone is Sovereign and that earthly Empires come under his searching judgment. The second half of the prophecy is visionary using the epic language of Jewish apocalyptic literature. Like the Book of Revelation it is not straight forward in how to interpret these chapters; we will do our best to de-code them and consider how they speak to our day as the so-called super-powers seek to dominate, bully and wage war. But God will have the last word.

Wednesday morning:

November 18th and 25th

11.00-12.30 in the cottage

We begin with coffee, and in each session there will be teaching and group discussion.

Everyone welcome.
